

Hi Sir,

I'm Ramy Hany, I'm a Software Engineer with experience in Data Entry.

I provide you with my services in making a presentation with an awesome design for you with minimum time to get it done and it depends on the requirements of your project.

That is my GitHub profile if you want to check my work:

<https://github.com/Ramy152002>

If you accept my proposal or have any questions, feel comfortable talking to me and I will response to you as soon as possible

I'm waiting for your feedback.
